

Kevin Stewart

Kevin Stewart is a Partner with the Advanced Technology practice group and is based out of the firm's Houston office. He brings over seventeen years of extensive, diverse executive search expertise in technology, finance and operational roles.

Specializing in C-suite and senior executive searches across multiple disciplines and industries, Kevin consistently delivers world-class service to a global clientele. From software and internet to manufacturing and industrial sectors, he focuses on helping clients achieve ideal outcomes when identifying, attracting, selecting and retaining the right talent at the right time.

Prior to joining Jobplex, Kevin was a partner with EvolvingTalentGroup where he demonstrated a successful history of delivering a long-term perspective to every talent challenge. Kevin's philosophy is to deeply understand the needs and goals of his clients and the candidates he places, to ensure alignment and a successful relationship.

Kevin received a Bachelor of Science from California State University, Easy Bay. He is happily married and enjoys travel, music, food and wine. In his spare time, Kevin is actively involved in various community and youth activities with multiple not for profit organizations.
